University of Prishtina

Career Development Centre

EAIE- FEDORA Summer University in Ioannina, Greece
16th June 2011

Presenter: M.Sc. Arlinda Beka
Manager of CDC
Short History of CDC

- CDC is part of the Office for Academic Development at the University of Prishtina;

- Established in April 2007 from the cooperation of UP, OSCE and US embassy (ex US office);

- In 2009, CDC was incorporated in TEMPUS Project, in order to increase the quality of services and train CDC staff how to provide career services for UP students.
Career Development Centre

- Promotes UP;
- Promotes work and internships;
- To promote voluntary work:
  - Organizes workshops for the students;
  - It advocates and promotes student participation in debates with employers and foreign services;
  - Networking with different organizations and companies.
- Offers advices how to approach to a labor market;
- Organize Career Fair;
- Organize roundtables on labor market reforms;
- To develop a database and keep in touch with all students and alumni.
Career Development Centre offers:

**Information and career advices**

- Through consultation with students (individual and group);
- Through workshops;
- Via e-mail, phone, websites, newsletters, and facebook, (the sent and posted notices and information for students, universities and companies);
Career Development Centre offers:

**Career Orientation**

- Visiting high schools (Promotion of UP study programs and CDC;
- Open hours for high school students in CDC office;
- Orientation Day;
- Preparation of UP guidelines for new UP students;
Organize internships for students

Through the agreements that we do with companies, institutions
CDC challenges:

- To promote our services to all institutions, companies, society.
- To collaborate with companies
- To build the strong relationship with faculties
- To keep our students aware for the importance of their career development
- To increase the number of students to do practical work
To Link our University with the labor market
